a). Marilyn Lawrence deny ever receiving any notice to file a proof of claim prior to June 30th 2015 from Mr. Joseph A. Shifer attorney Levin Natalie & Frankel LLP or from Melissa Loomis employed by Kurtzman Carson Consultants LLC. Marilyn Lawrence never received notice. 5362 W. Olympic Blvd. # 1 LA. CA. Is my correct mailing address.

All pass court correspondence came to my correct direct mailing address 5362 W. Olympic Blvd # 1 Los Angeles Ca.

The Law firm of Mr. Joseph Shifer never mailed Marilyn Lawrence a notice at 5362 W. Olympic Blvd # 1 to file a proof of claim in 2012, Nor did I received any forward

mail from 5851 W. 7th Ave LA CA 90043. The home had been foreclose on. Date of sale 02/14/2012 at 11:00 am.

Melissa Loomis served via First Class mail to the above foreclosed home according to her affidavit of service.

5362 west Olympic Blvd. # 1 is where I Marilyn Lawrence have been receiving all mail for the past 25 years this is my correct mailing address, which is on record with the United states District Court Central District of California. All the corresponding Attorney's, including Attorney's for the defendants Executive Trustee Services, LLC dba ETS services, LLC.

June 30, 2015 after the date was barred, passed, Mr. Joseph A.

Shifer and Law firm found the correct Address, to make known that the due date had passed. After several phone conversation with Mr. Shifer with no success, I was informed to filed a proof of claim giving clear evidence of my mailing address with proof.

c) **Letters and support evidence to The Honorable Martin Glenn, that**

Executive Trustee Services, had foreclosed on my home at 5851 7th Ave. Date of sale 02/14/2012. QUESTION ! WHY?

Would Melissa Loomis as she stated at the direction of her supervision employees of KCC send out notice on 6/4/2012 to resident where it had been foreclosed on. Melissa Loomis, affidavit of service master mailing list, mailed out to 5851 7th Ave. La.Ca.90043 to the wrong, incorrect mailing address.

Marilyn Lawrence never received that notice in the mail from the Courts nor from any of the Attorney's on this case or from Ocwen loan servicing LLC or from ETA LLEANA nor from any of the mortgage servicing entity's . QUESTION HOW COULD MR. SHIFER LAW FIRM make such a MISTAKE and penalize Marilyn Lawrence again and again for their conduct. After counsel telling the Honorable Judge Martin Glenn on 2/10/2016 that He had worked hard and covered everything,
